WELCOME FROM THE DEPARTMENT CHAIR

BY PROFESSOR PHIL HAMMACK

Psych Slugs! Welcome (or welcome back) to the redwoods! Home to one of the most popular (Psychology) and one of the fastest growing (Cognitive Science) majors on campus, our department is on the cutting edge of research.

True to the Santa Cruz spirit of crossing disciplinary borders and speaking proudly from the margins, our faculty ask questions that are innovative and unconventional. You—our students—are a critical part of the knowledge we produce. In our classrooms and research labs, we learn with you. Your fresh ideas, reactions, and perspectives spark new ways of thinking in us. I invite you to join us and to make the most of your time here. I wish you all the best for a successful start to the academic year!
MAJOR DECLARATION

- Peer Advisors are available for drop-ins & can help with academic plans and major declarations
- Major Declaration Workshops are scheduled October 22 and 23.
- The Fall deadline to declare is October 24!

ENROLLMENT

- Start thinking about the courses (and back-up courses) you would like to take in the Winter!
- Advising Week is November 7-13 & your individual appointment time will be on your student portal
- You can find a yearly listing of courses on our website: psychology.ucsc.edu

STARTING OFF RIGHT

- You must attend the first day of instruction in all classes
- Visit your Faculty and TAs during their office hours!
- If you are receiving accommodations from the Disability Resource Center, turn in your accommodation form to your instructors in the first 2 weeks of instruction
