

Declaring Cognitive Science or Psychology as your SECOND Major

If you are already declared in a one major and are wishing to declare Cognitive Science or Psychology as a 2nd major, you must:

1. **Verify you're eligible to declare** (view [this slide](#) for eligibility criteria)

2. **Contact your first major advisor to request the link to your official academic plan**

Your plan must be updated recently & include your first major advisor's e-signature. Please reach out to your first major advisor at least 2 weeks before the declaration deadline to request this.

NOTE: If your first major is Cognitive Science or Psychology, you do **not** need this- see [this slide](#) for more information about Cognitive Science/Psychology double-majors.

3. **Submit [this form](#) to initiate your declaration request**

Access to this Google form is restricted to UCSC email accounts- you must be signed into your UCSC account on the browser you use to access the link.
