

Psychology Field Study
Mid-Quarter Reflection for **first** quarter students

Name: _____ Quarter: _____

Field Placement: _____ Field Supervisor: _____

Please comment about the initial orientation to your placement. Do you have weekly meetings with your supervisor? Do you attend staff meetings?

How do you feel about the work you are doing at your placement? Does it match the "job description" section of your contract?

What interests you most about the work?

Are you meeting with your faculty sponsor or maintaining regular contact? Are you clear on what is expected for your academic project? When is this due?

Will you be continuing your field study for academic credit? _____
If so, complete a new contract by the final day of this quarter's instruction.

*Please return completed copy to the Psychology Field Study Office **the end of the fifth week.**
